

IMPORTANT SAFETY NOTICE

LeapFrog Enterprises, Inc.
Recharging Station for Didj Custom Gaming System
(Item # 30676)

The rechargeable battery packs included with the Recharging Station can overheat if the Didj handheld is placed upside down in the recharging base, posing a burn hazard.

Immediately stop using the recharging base and two rechargeable battery packs and contact LeapFrog to obtain a full refund and a free game.

You may continue to use the Didj console with the AC adapter or 4 AA batteries.
