

4th of July Star Scramble

The U.S.A. had thirteen states when it was new. Color in the stars that have a sum or difference of thirteen. Unscramble the letters on those stars to find out what Tad is so excited about.

$14 - 1 = \underline{\quad}$ W	$7 + 6 = \underline{\quad}$ R	$6 - 4 = \underline{\quad}$ M	
$12 - 2 = \underline{\quad}$ J	$11 + 0 = \underline{\quad}$ D	$12 + 1 = \underline{\quad}$ F	$10 + 3 = \underline{\quad}$ O
$5 + 8 = \underline{\quad}$ S	$9 + 4 = \underline{\quad}$ E	$3 + 2 = \underline{\quad}$ J	$16 - 3 = \underline{\quad}$ R
$4 + 4 = \underline{\quad}$ L	$15 - 2 = \underline{\quad}$ K	$11 + 2 = \underline{\quad}$ I	$7 - 2 = \underline{\quad}$ T
