Core Learning Skills

Learning fun from music to counting to movements!

The Alphabet
During the Alphabet Song the screen displays letters to help children recognize/recognise each letter as they sing along and assists them in learning alphabetical order.

Numbers and Counting
The Numbers Song helps children see that numbers follow a specific order and can be used to represent the number of objects in a set.

Shapes
The Shapes Song helps children recognize the names of basic shapes including circles, squares and triangles.

Animals
Children can learn the names of different animals and the sounds they make by singing along to Old McDonald.

Music
As children sing, dance and move along to fun songs, they can build a sense of musical rhythm, creativity and self expression.

Active Play
The movement and dance activities in this toy encourage active play with upbeat songs and audio prompts, and help children build gross motor skills.

Instructions for Play

Getting Started
To turn on the toy, slide the Off/Low/High volume switch to the desired volume setting. To turn it off, slide the switch to OFF.

Note: The music player will turn off automatically after a period of inactivity. You can wake it up again by pushing any button.

Play & Learning Modes
Sing, play and move to the music with Scout & Friends!

- Sing-along songs
  Learn about letters, numbers, shapes and animals!
- Active games
  Learning pals encourage you to move to the music in different ways!
- Dance Party
  Let Scout & Friends show you dance moves – then try them yourself!
- Serenity mode
  Time to bring the energy level down! See how slowly you can move.
- Paw button
  Press for silly sound effects, audio responses and songs!
The movement and dance activities in this toy encourage Active Play. They can build a sense of musical rhythm, creativity and number of objects in a set. The Numbers Song helps children see that numbers accumulate du type recommandé or d’un type équivalent. Batteries included are for in-store demonstration and should be replaced for home use. Requires 3 AAA (called LR03 in some countries) alkaline batteries.

**Battery Information**

Batteries included are for in-store demonstration and should be replaced for home use. Requires 3 AAA (called LR03 in some countries) alkaline batteries.

**Battery Safety**

Batteries are small objects and may pose a choking hazard for small children. Batteries must be replaced by an adult. Follow the polarity (+/-) diagram in the battery compartment. Promptly remove dead batteries from the toy to avoid leaking. Dispose of used batteries properly. Remove batteries for prolonged storage. Only batteries of the same or equivalent type as recommended are to be used.

**Battery Removal and Installation Instructions**

1. Open the battery door with a Phillips screwdriver.
2. If used or spent batteries are present, remove these batteries from the unit by pulling up on one end of each battery.
3. Install new batteries as shown in the polarity (+/-) diagram inside the battery compartment.
4. Replace battery door securely.

**Battery Information**

**Battery Safety**

Batteries are small objects and may pose a choking hazard for small children. Batteries must be replaced by an adult. Follow the polarity (+/-) diagram in the battery compartment. Promptly remove dead batteries from the toy to avoid leaking. Dispose of used batteries properly. Remove batteries for prolonged storage. Only batteries of the same or equivalent type as recommended are to be used.

**DO NOT**
- INCINÉRER LES PILES USAGÉES, NI DIFFÉRENTS TYPES DE PILES (C’EST-À-DIRE ALCALINES/STANDARD).
- COURT-CIRCUTER LES TERMINAUX D’ALIMENTATION.

**NE PAS**
- JETER LES PILES AU FEU CAR ELLES PEUVENT EXPLODER OU LEAK.
- DO NOT
  - Dispose of batteries in fire, as batteries may explode or leak.
  - Mix old and new batteries or types of batteries (i.e., alkaline/standard).
  - Use rechargeable batteries.
  - Recharge non-rechargeable batteries.
  - Short-circuit the supply terminals.

**Sécurité relative aux piles**

Les piles sont des objets de petite taille et peuvent constituer un risque d'étouffement pour les enfants en bas âge. Le remplacement des piles doit être effectué par un adulte. Respectez le schéma de polarité (+/-) reproduit dans le compartiment des piles. Enlevez rapidement les piles usagées du jouet pour éviter les fuites. Suivez les procédures adaptées pour vous débarrasser des piles usagées. Retirez les piles en cas de non-usage prolongé. Utilisez uniquement des piles ou accumulateurs du type recommandé ou d’un type équivalent.

**NE PAS**
- Incinérer les piles usagées.
- Jeter les piles au feu car elles peuvent exploser ou fuir.
- Mélanger piles usagées et piles neuves, ni différents types de piles (c’est-à-dire alcalines/standard).

**Troubleshooting**

<table>
<thead>
<tr>
<th>Symptom</th>
<th>Try This</th>
</tr>
</thead>
</table>
| Toy does not turn on or does not respond | • Make sure the OFF/Low/High switch is not in the OFF position  
• Make sure batteries are correctly installed  
• Make sure battery cover is securely attached  
• Remove batteries and put them back in  
• Clean battery contacts by rubbing lightly with a soft eraser and then wiping with a clean and dry cloth  
• Install new batteries |

| Toy makes improper responses | • Follow the above instructions to clean battery contacts  
• Install new batteries |
