Like us on facebook.com/leapfrog

Go to leapfrog.com/MyPals2 on your device (smart phone, tablet or computer). For a list of supported browsers, see System Requirements on the opposite side of this guide.

Create or sign in to your LeapFrog account. Follow the instructions to set up your child’s profile. Then select your child’s name and favorites/favourites.

Step 1
Connect the cable from the battery box to your device’s headphone jack. Plug the puppy’s cord directly into the 3.5mm jack on your smartphone, tablet or computer. (Do not plug the cord into peripheral or external accessories, such as speakers, docks, etc.) Follow the webpage instructions to turn your device’s audio volume all the way up and to begin the download.

Step 2
Once you see the collar light up and hear your puppy say “I’m ready to play now,” please disconnect the cable from your device.

Step 3
“Tally’s favorite food is chicken. Chicken is her favorite food.”

“Tally’s favorite color is purple. Purple is her favorite color.”

“Tally’s favorite animal is a cat. Cats are her favorite animals.”

“Tally’s favorite song is “Twinkle, Twinkle, Little Star.” Little Star is her favorite song.”

“Tally’s favorite story is “Goldilocks and the Three Bears.” Goldilocks is her favorite story.”

“Tally’s favorite activity is playing hide and seek. Hide and Seek is her favorite activity.”

Step 4
To turn off your puppy, press the On/Off paw. When your child is ready to play again, press any paw to resume play mode.

To turn off your puppy completely, use the Power/Volume switch located on the battery box.

Solutions for Every Step

Step 1
Connect the cable from the battery box to your device’s headphone jack. Plug the puppy’s cord directly into the 3.5mm jack on your smartphone, tablet or computer.
